Acceptances will be announced by midnight, May 20, 2015. Deliveries are to be made between July 15 and September 30, 2015.

For this solicitation canned meats will be filled into cylindrical cans.

This solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

For offshore destination (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination to the port.

Purchases will be made on f.o.b. destination basis to cities on this Solicitation. Destination quantities listed are estimated and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operation.

All prime vendors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.

In order to submit offers on this Solicitation Offerors must be deemed eligible by the Contracting Officer. Product purchased under this Solicitation will be produced according to the most current Item Description and Checklist of Requirements and eligible supplier's approved technical proposal.
